

Summit® High-Performance Blender with Auto Blend HBH850

3 Reasons to Buy!

Performance

- Auto Blend stops blender when drink reaches the perfect consistency
- Wave-Action® system continually forces mixture down into the blades
- Super-creamy drink profile

Durability

- 3 Hp motor with all-metal drive coupling
- Jar pad sensor helps prevent "wear & tear"
- Unique airflow baffle keeps unit cool and prevents water ingress

Ease of Use

- Auto Blend "One-Touch Sensor Blending"
- Easy-to-clean controls
- Timer with automatic shutoff
- Stackable 64 oz. polycarbonate container
- USB port for future program updates
- Quiet Shield? sound enclosure

Auto Blend "One Touch Sensor Blending" - Patent-pending technology continuously monitors blender's power usage and speed to determine when the perfect drink consistency is achieved.

Hundreds of Pre-Programmed Cycles - Reduces the need to select different cycles for different drinks to free up decision-making time.

Automatic Shutoff - As soon as the mixture reaches the perfect creamy drink profile/consistency, the blender stops to help prevent over- and under-blending.

Super-Creamy Drink Profile - The Wave-Action® System, along with speed and blade design, break down ice from a granita texture to a creamy drink profile.

Cavitation Control - Detects when cavitation occurs and prompts the operator to add more liquid. Keeps the operator from spending time watching the blender and from serving a bad drink.

Airflow Baffle - Constantly circulates cool air around the motor for back-to-back blending and longer blender life.

Jar Pad Sensor - Turns off motor when container is not in place to reduce grinding and "wear and tear" from misuse.

Specifications:

Standard: Unit comes with base, one container, sealing gasket, Quiet Shield? sound enclosure & 3-wire grounded cord and plug

Controls: Touchpad

Container: 64 oz. stackable polycarbonate

Motor: 3 Hp

Electrical: 120 V, 60 Hz, 13 Amps

Weight: 18.1 lbs / 8.2 kg

Warranty: 2 years or 20,000 cycles, whichever comes first

UPC: 0 40094 91083 0

I 2 of 5: 10040094910837

Case Pack: 1

Auto Blend stops the blender when drink reaches the perfect consistency

USB port for future program updates

Dual fans automatically keep motor cool in-between blends

Unique airflow baffle keeps unit cool and prevents water ingress
